

KIDZ INC

INNOVATIVE OUT-OF-SCHOOL EDUCATION

AFTER SCHOOL

PROGRAMME

PARENT SURVEY

*The following survey is to assist with the collection of information from parents and their children to establish the feasibility of offering an **after school programme** for school age children, and what factors are seen as of high value within the programme. From the feedback that you give, we will be able to work towards the next step. We thank you for your time and consideration.*

(you may circle more than one of the comments provided, and you can rate them according to importance: 1=High Value through to 5=Low Value)
